

AGREEMENT between

(‘the Photographer’) and Science Photo Library Ltd of 327-329 Harrow Road, London, W9 3RB (‘the Agency’). Whereby it is agreed:

- 1. That the Agency will have the right to market and sell in all the countries of the world the photographs or other forms of imagery that the Photographer supplies to the Agency (‘the Work’). In return the Photographer agrees not to give the same or similar images to any other stock picture library or agency.**
- 2. That the Agency will pay the Photographer fifty percent of all reproduction fees, and of compensation fees for lost or damaged originals, that the Agency receives from clients. Such payments will be made on the first day of March, June, September and December whenever the Photographer’s payment account exceeds £100 (one hundred pounds) at that date. Unpaid funds in the payment account will be carried over to the next quarter. The Agency reserves the right to settle accounts of less than £100 at the Agency’s discretion. A detailed statement of sales will accompany any payments made.**
- 3. That the Photographer will retain exclusive copyright in the Work.**
- 4. That the Photographer grants the Agency the right to take legal action against anyone it has cause to suspect has made an infringement of copyright in the Work, such action being taken after consultation with the Photographer.**
- 5. That the Agency will do its best to ensure that any reproduction of the Work is accompanied by the credit line agreed with the Photographer.**
- 6. That the Agency is not responsible for any damage or loss of original images or digital files supplied by the Photographer while they are in the possession of the Agency, it being the Photographer’s responsibility to insure such original images against loss or damage and to maintain archive copies of digital files submitted if so wished.**
- 7. That this Agreement is for an initial period of five years, after which it can be terminated or amended by either party following six months’ written notice. If no notice of termination is given, the Agreement will renew itself automatically for periods of three years. In the event of termination, the Agency will return the Work to the Photographer.**
